Our Purpose

Chatham Academy was created in 1978 to address the academic and social needs of children with learning differences. Students work in an individualized, small group setting where the curriculum provides opportunities for each child to be challenged and to excel. Our daily program also reflects concern for the social and emotional growth of each student.

Teachers use a variety of language-based and multi-sensory teaching methods to make learning accessible to every child. Our goal is help each student reach their learning potential.

Our School

- Class Size: 9 to 10 students, small classes for specialized instruction
- Sports, visual arts & computer programs offered
- Accredited by SACS/SAIS (Southern Association of Colleges & Schools).

Our Students
